TESTIMONIALS

“I instructed Tosin under the Public Access Scheme and was extremely impressed by his strong technical skills but more importantly by his excellent attention to client care. Tosin took considerable time to explain the court procedures and requirements as well as the details of the case including all potential outcomes, which alleviated much of my concerns and stress. I was also extremely impressed with Tosin’s strong focus, attention to detail and the level of preparation he devoted. Tosin provided tenacious questioning where needed and a meticulously prepared closing statement and successfully won my case for me. I would definitely recommend him, especially for Public Access Clients.” – Public Access Scheme Client, Ms. F. Cheung

I have instructed Tosin for at least ten years. I consider him to be a very able and conscientious Counsel. He has represented many of my clients over the years and I have never received anything but praise for him from them. I have attended court with him and consider him to be an extremely able advocate. At all times I have found him to be dependable, hard-working, conscientious, honest and courteous and most importantly professional; I trust him to carry out my instructions to the letter and to do his very best for my clients.
