EXPERIENCE

Caitlin is an experienced family lawyer with expertise in public law and private law children in circumstances that involve the child requiring representation.

Caitlin has specialised in representing Local Authorities, parents and children and is able to prepare all requisite documentation to the highest standard at short notice.

Caitlin is considered a robust advocate; however, she understands fully the importance of ensuring all clients receive appropriate, realistic advice dispensed in an empathetic manner. Caitlin can offer excellent client care within even the most challenging cases. Caitlin considers all clients' needs are best served by offering continuity of representation and good communication throughout proceedings.
